

Angela P. Bello

STATEMENT

I am a Visual Communication Designer with a track record in creative solutions to challenging projects. What makes me unique is a background in engineering. As an engineer I developed critical thinking, problem-solving, time management, organizational and interpersonal communication skills. This combination of education and experience enables me to approach visual design challenges with confidence and enthusiasm.

EDUCATION

BACHELOR OF FINE ART - DESIGN AND MEDIA ARTS
NORTHERN ILLINOIS UNIVERSITY DEKALB, ILLINOIS 2021

I develop the ability to solve visual problems and translate ideas in visual terms. Also, I understood the wide range of design tools, not only Adobe Suite (Illustrator, Photoshop, InDesign, and AfterEffects) but also Maya (3D animation, modeling, and rendering), and programming languages (HTML, CSS, and JavaScript). Throughout freelance and personal projects, I build the ability to create visual material,

ASSOCIATE IN APPLIED SCIENCE GRAPHIC DESIGN
COLLEGE OF DUPAGE GLEN ELLYN, ILLINOIS
HIGH HONOR DEGREE 2019

During the program, I developed my portfolio-website from the ground up. Also, I worked on soft skills in communication, and team work.

BACHELOR SCIENCE MECHANICAL ENGINEERING
LOS LIBERTADORES UNIVERSITY BOGOTÁ, COLOMBIA. 2007

During several years, I worked as an Designer Engineer in Petrochemical Consulting and Water Treatment Industries developing documentation, presentations, handbooks, and technical drawings.
